Model No: QD-2436-SL

Model No: QD-2436-BK

## Quick Draw

We start with our special matte black background and place it in one of our three designer frames. Then we add a clear acrylic drawing surface and supply you with 21 Tracing Templates and five hi-intensity Fluorescent Markers.

With our assortment of Tracing Templates you can customize Quick Draw to promote the key "dining out" holidays, sporting events, and specials common in the food service industry. You can even use your own artwork or logo with Quick Draw to create the ultimate promotional message.

## Tracing Pattern Set

Comes with 21 templates for the major holidays and dining days (including Mother's Day, Easter, New Year's, and Monday Night Football).

See all of the tracing patterns that come in this set at [www.internationalpatterns.com/tp](http://www.internationalpatterns.com/tp)

# International patterns incorporated Consolidated Catalog

## Hello Again

Welcome to our latest consolidated catalog. In it you will find many of the new products we introduced in the past few years as well as a few brand new items that you have never seen from us before. The most exciting new product is "The Edge" found on pages 20 & 21. Be sure to check it out!

We recently celebrated our 40th year and look forward to the next 40 with as much enthusiasm as ever. If you don't see what you want in this catalog, please let us know. We are always looking to develop new merchandising products that our customers suggest - so keep those great ideas coming!

## A Word About Our Menu Board Program...

**We sell more than menu systems - we sell ideas.** We know what it takes to create the perfect menu system. Our designers will integrate your brand concepts into a look you won't find anywhere else. Our superior engineering will meet your goals and stay within your budget.

**Selection.** Choose from illuminated, non-illuminated or magnetic menu board systems. There is an endless variety of colors, materials, typefaces, graphics, and other design options. We can even add dimensionality to your menu system chassis.

**We make it easy.** For some customers, ordering a menu board can be daunting. Don't worry. We will be there every step of the way with:

- Free Layouts
- Trend-setting designs
- Marketing Expertise
- Your own Customer Service Menu Board Specialist

**Industry Leading Engineering.** Exquisite design is only the start. Whether the order is for a single menu panel or a chain of thousands of menu boards, International Patterns delivers a finished product that will last for many years - exceeding your highest expectations.
