

Indoor/Outdoor Menu Holders

Durable, Attractive And Easy To Use

MP-2816-SL

Menu Post

Comes in two sizes so The Menu Post will hold most any menu – even those that don't conform to traditional menu sizes. From 3-page tri-folds to gate-fold menus comprised of two 11" x 14" pages The Menu Post will proudly display your menu to passersby.

Rigidly constructed for long life and outdoor use. Unit has a sealed chamber where menu is held so it can withstand all types of weather conditions without being damaged.

Menu is easily loaded and removed. Stores under lexan cover inside the Menu Post unit. Chassis is molded black ABS material and frame is anodized aluminum available in either silver or black finish. Frame is secured in place with hex screws to discourage tampering of any type.

Menu Post Jr.

This smaller version of the Menu Post is ideal for that single sheet posted daily, for Lunch, special events, Brunch etc. Size: 11" x 13". Available in Black and Silver
